**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT FILED PURSUANT  
TO THE DUTY OF DISCLOSURE UNDER 37 CFR §§1.56, 1.97 AND 1.98**

Sir:

Pursuant to the duty of disclosure under 37 C.F.R. §§1.56, 1.97 and 1.98, the Applicants request consideration of this Supplemental Information Disclosure Statement.

**PART I: Information Cited**

The Applicants hereby make of record in the above-identified application the information listed on the concurrently filed form PTO/SB/08a. The order of presentation of the references should not be construed as an indication of the importance of the references.

The Applicants hereby make the following additional information of record in the above-identified application.

The Applicants would like to bring to the Examiner's attention the enclosed European Examination Report from a corresponding European Office.

The Applicants would like to bring to the Examiner's attention the following other information, whose relevance is discussed in Part II below.

**PART II: Explanation of Non-English Language References and Remarks Concerning Other Information Cited**

The following is a concise explanation of the relevance of each non-English language reference listed on the concurrently filed form PTO/SB/08a:

The following are remarks concerning the other information cited:

The attached German Patent No. DE 298 13 657 U1 was recently cited in a European Examination Report and is listed on the attached form PTO/SB/08a.

PART III: Remarks

Documents cited anywhere in the Supplemental Information Disclosure Statement are enclosed unless otherwise indicated. It is respectfully requested that:

1. The Examiner consider completely the cited information, along with any other information, in reaching a determination concerning the patentability of the present claims;
2. Any concurrently filed form PTO/SB/08a be signed by the Examiner to evidence that the cited information has been fully considered by the Patent and Trademark Office during the examination of this application;
3. The citations for the information be printed on any patent which issues from this application.

By submitting this Supplemental Information Disclosure Statement, the Applicants make no representation that a search has been performed, of the extent of any search performed, or that more relevant information does not exist.

By submitting this Supplemental Information Disclosure Statement, the Applicants make no representation that the information cited in the Statement is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

By submitting this Supplemental Information Disclosure Statement, the Applicants make no representation that the information cited in the Statement is, or is considered to be, in fact, prior art as defined by 35 U.S.C. §102.

Notwithstanding any statements by the Applicants, the Examiner is urged to form his own conclusion regarding the relevance of the cited information.

Applicant(s): Neil Rasmussen et al.  
U.S.S.N.: 10/775,551

An early and favorable action is hereby requested.

Respectfully submitted,
